62		Concrete, Drainage and Road Works at O'Meara Industrial Estate (off Yorke Avenue adjacent to Dockside Foods Limited and Lifetime Solutions)	72141105	eTeck is in the process of upgrading and maintaining the existing civil infrastructure within its Industrial Estates. In the case of this project, it was prioritized because both pedestrians and vehicles frequently traverse the street providing access to Lifetime solutions Ltd. Also, pedestrians currently walk in the roadway because there is no sidewalk for most of the road. Furthermore, the street providing access to Dockside Ltd needs to be rehabilitated due to approximately sixty percent (60 %) of the street having alligator cracks and weathered asphalt.	December-23	June-24	60 Days	Public	10	Red Book (Construction)

Evolving Technologies and Enterprise Development Company Limited (e Teck)  
Annual Schedule of Planned Procurement Activities 23 - 24

No.	Project Number	Project Name	UNSPSC Code <a href="https://www.unspsc.org/">https://www.unspsc.org/</a>	Brief Description	Proposed date for Issue of Bidding Documents (Month/ Year)	Expected Delivery/ Completion Date (Month/ Year)	Estimated Project Duration (for works and services)	Procurement Method	Standstill period (if applicable) – No. of days	Contract Type
63		Drainage and Roadwork at O'Meara Industrial Estate (Albrosc Street and Road Adjacent Superstore Warehouse)	72141003	eTeck is in the process of upgrading and maintaining the existing civil infrastructure within its Industrial Estates. In the case of this project, it was prioritized because almost eighty percent (80%) of the roadway providing access to the Superstore Ltd (warehouse) has alligator cracking. Also, at the intersection between the street providing access to the Superstore Ltd (warehouse) and David Blake Street exists several potholes.	December-23	June-24	60 Days	Public	10	Red Book (Construction)
64		Drainage and Roadworks at O'Meara Industrial Estate (David Blake Street)	72141104	eTeck is in the process of upgrading and maintaining the existing civil infrastructure within its Industrial Estates. In the case of this project, it was prioritized because almost eighty percent (80%) of the roadway providing access to the Superstore Ltd (warehouse) has alligator cracking. Also, at the intersection between the street providing access to the Superstore Ltd (warehouse) and David Blake Street exists several potholes.	December-23	June-24	60 Days	Public	10	Red Book (Construction)
65		Drainage and Roadworks at O'Meara Industrial Estate (Spancrete Boulevard)	72141003	eTeck is in the process of upgrading and maintaining the existing civil infrastructure within its Industrial Estates. In the case of this project, it was prioritized because Spancrete Boulevard is subjected to heavy traffic by vehicles transporting fabricated steel and precast concrete products. Also, the drainage infrastructure along the street is inadequate, due to some of the kerb & slipper drains being damaged by the movement of heavy vehicular traffic and the absence of crossings at low points along the roadway.	December-23	June-24	60 Days	Public	10	Red Book (Construction)
66		Provision of Grounds Maintenance and Upkeep - Phoenix Park Industrial Estate	72102902	Grounds Maintenance include grass cutting, cleaning of drains and detention ponds and landscaping entrances and green space areas	January-24	April-26	2 years	Public	10	e Teck standard form

211		Provision of Engineering Design Services for the Development of the Dow Village Industrial Park	81101523	As e Teck continues to focus on developing the non-oil and gas sector, it is seeking to develop 147 acres of undeveloped leasable land situated at Dow Village. Therefore, to allow for the development of the Dow Village Industrial Park, it is necessary to accumulate design specifications to accommodate the required modifications and reflect compliance with the requisite approving agencies. The Dow Village Industrial Park would foster positive economic growth, increase Gross Domestic Product (GDP) contribution in the medium to long term.	November-23	August-24	6 Months	Public	10	White Book (Client/Consultant Model Services Agreement)
